

Steps to Serving in the Georgia Republican Party - 2009

The Georgia Republican Party is truly a grassroots party. In a four-year cycle there are three conventions. In the odd years, conventions are held to elect leadership from the precinct to the state party officials. In the Presidential even years, conventions are held from the precinct to the national level yielding national delegates that will represent us in establishing and maintaining distinct public policy in our platform. During the other even years, such as 2006 and 2010, there are no conventions. Contact the Georgia Republican Party Headquarters (404) 257-5559 or www.GAGOP.org for more information. The State Committee establishes the dates for the Precinct (February), County (March), District (April) and State (May) Meetings. The following is intended to provide a summary of the events. The Call for these meetings is sent to each County and District Chairman. These Chairmen select the location for meetings

Savannah Trade and Convention Center
